Profile

I am an enthusiastic graphics designer, who enjoys being part of a successful and productive team. I am quick to grasp new ideas and concepts and I am always willing to learn as demonstrated by adapting to designing for the web and teaching myself the applications of design. I am a team player, currently part of a successful team at TUI Travel but I also possess the ability to work well on my own initiative and can demonstrate the high levels of motivation required to meet deadlines. I am reliable and hard working with an impeccable attendance record at my previous jobs.

Hobbies and Interests

I go jogging at least twice a week as well as playing tennis at weekends during the summer. I like to keep fit and enjoy watching and playing all types of sport during my spare time. I also enjoy playing computer games, especially with my friends. I like listening to music and I have recently started playing the guitar.
